Management & Strategy

Masters in Business Administration [MBA]

This Masters in Business Administration is a valuable qualification which is open to applicants not holding the business related qualification or those who wish to advance their professional career in management and strategy. The Postgraduate Certificate in Business Administration is an optional route into this programme and requires successful completion of the first three [3] modules of the MBA programme. Completion of the MBA programme leads to membership of the Chartered Management Institute. If you are considering undertaking an MBA qualification, you will find this programme suitable and stimulating.
